

The Community Emergency Response Team (CERT) program helps train people to be better prepared to respond to emergencies in their communities. When emergencies occur, CERT members can provide critical support to first responders, offer immediate assistance to victims, and organize spontaneous volunteers at a disaster site. CERT members can also help with non-emergency projects that help improve the safety of the community

The Township Committee confirmed the appointment of 26 individuals at the July 21st meeting and expressed gratitude to each of them for their continued commitment to the safety, support, assistance, and disaster preparedness in Readington Township.
